Is anyone not able to attend the meeting?	
Has everyone seen the minutes from the last meeting?	
	The council checked and agreed that the minutes of the last meeting were correct.
Are these minutes OK?	
	All in agreement.
First thing we are going to talk about:	
Final feedback regarding school dinners...	Students around school are happier with the new style dinners. They particularly liked the hand-made pizzas and the better roast dinners.
Socials - activities that are more female friendly...	The council are going to discuss socials in their bases. Suggestions for future socials include a slime making socials and another art social on a Wednesday as this currently only happens on a Friday.
Top 10 - only two classes in the lower Top 10 so should we have only 1 Top 10?	Those in attendance were unsure about only having one top 10. We will discuss this further during our next school council meeting as some pupils were unable to make this meeting today.
Would anybody like to mention anything else?	
Sports Kits	The school council are happy with the recent sports fixtures against other schools in sports such as basketball, cricket and football. The council would like a school sports kit that they could wear to feel more like a team when they represent the school.
Date of next meeting?	22.11.2024
