First thing we are going to talk about:

1:1 meetings:

JB (Blyton):

- Would like to have a little more freedom to choose during enrichment activities.

JW (Fletcher):

- Wants to continue with his focus on keeping school a fun, safe and respectful place to be.
- Would like teachers to arrange an Easter hug hunt as we are close to Easter.
- Tells me that some students feel it's unfair that some pupils get to go outside when others have to stay in. I explained that this is sensory time and that classes have the freedom to choose when to access a sensory break. All pupils have social time together at 11am break time and lunch.
- Would like school to have access to bikes during enrichment. I explained that

	<p>BikeAbility is something that school can look into Nichola Murphy Could you look into this?</p> <p>Logan (Seuss) -</p> <ul style="list-style-type: none"> - As this was Logan's first meeting, he has been tasked with speaking to his class about how we can keep our school fun, safe, ready and respectful. Logan will share his ideas at our next meeting. <p>BF (Wilson):</p> <ul style="list-style-type: none"> - Discussed the tuck shop in more detail after it was suggested at our last meeting. Blake suggested that the tuck shop is organised and run by pupils. Each class teacher is to be given a book of raffle tickets and on a Friday PM, each class pulls a ticket out of the box and the winner gets to go to the tuck shop with their winning ticket to select a prize from the shop. Blake suggested that when pupils win a raffle ticket, they could choose to exchange this for Dojo points as they might not want to select from the tuck shop.
